

Goldman Sachs (NYSE:GS) publishes 2012 Environmental Social Governance Report

Our Impact Drives Global Progress: 2012 Goldman Sachs Environmental, Social and Governance Report

The Goldman Sachs 2012 Environmental, Social and Governance (ESG) report addresses how the firm's core businesses are making a positive impact on the economy, environment and community. From Bangalore to Brooklyn, São Paulo to Salt Lake City, Goldman Sachs is doing more to help governments, companies and individuals overcome obstacles, innovate and improve the quality of life.

Through stories of people and transactions, Goldman Sachs' ESG report showcases the ways in which the firm's global footprint creates value for their core constituents – their clients, investors, people and the communities in which they live and work. The report also illustrates how Goldman Sachs' relationships with clients, the commitment of capital, and their philanthropic initiatives lead to wider benefits for the global economy and broader society.
