

## Team Seleni is training hard to run the 2013 ING New York City Marathon

**Sunday, November 3, 2013**

Team Seleni is training hard to run the 2013 ING New York City Marathon and raise \$25,000 to support the Seleni Institute. By running for charity to support the [Seleni Institute](#), the Team is raising awareness and funding for the care, information and research support central to women's reproductive and maternal mental health and well-being.

Every mile of training becomes that much more meaningful for the team knowing they have support like yours.
