

## **1st European Award for Social Entrepreneurship and Disability**

ONCE Foundation, in the context of the European Network for Corporate Social Responsibility and Disability (CSR+D) Network, and with support of the European Commission launches the 1st European Award for Social Entrepreneurship and Disability: promoting social investment. This first edition will recognise and award projects and Start-Ups, that fit in one of the two profiles of participation: Social Entrepreneurs working in the field of disability or Entrepreneurs with a disability with an innovative project.

Applications can be submitted as of 4 October 2013 until 15 November 2013.
